Dear Brethren,

Thank you for your letter of July 21, 2010 indicating your agreement to be signatories of the UA08.

This communication from the Illinois Ecclesias is very good news!

Your letter shows your understanding and appreciation of the process, the agreement in effect here in Ontario and your willingness to participate in this worthwhile unity effort. We are very pleased with this encouraging news and welcome your ecclesias as fellow participants in this unity between Brethren who share the same One Hope in our Lord Jesus.

It is our continued prayer that unity may be enjoyed by all in the Lord's household and appreciate your acceptance of the UA08 as a positive and courageous step forward to that end.

We will be most pleased to work closely with you going forward, sharing in joyous work and fellowship in our Master's service.

In the One Hope and in our shared fellowship,

The Ecclesias of:

Barrie, Brampton, Guelph, Hamilton Greenaway, Kingston, Niagara, North Bay, Orangeville, Ottawa, Peterborough, Picton, Toronto East and Toronto Ossington.
